

MP 40

Single Head Mitre Saw

CHARACTERISTIC FEATURES

- Manual saw blade feed
- Pneumatic horizontal profile clamping
- Manual tilting 0° - 45° outwards
- Micro-mist pneumatic tool lubrication

OPTIONS

- Pneumatic vertical profile clamping
- Industrial dust exhauster
- Lower connection kit on dust exhauster
- Special carbide saw blade Ø400mm (for wood)
- Side supports and saw blade for wood
- Laser pointer

TECHNICAL DATA

- Power (kW): 2.2
- Voltage (V): 400
- Operating pressure (bar): 6 - 7
- Air consumption (l/min): approx. 4
- Saw blade Ø (mm): 400
- Saw blade speed (rpm): 3.200
- Machine dimensions L x D x H (mm): approx. 990 x 1.510 – 1.090
- Weight (kg): approx. 135
